## Spring 1 Topics

Topics for after Christmas include, Frozen, Owls, Chinese new year and Traditional Tales. To enhance these topics we have invited some very special visitors into school including a frozen princess and some real owls!

At the beginning of each new topic the teachers will talk to the children about what they know and want to find out as well as introducing new vocabulary - vocabulary sheets will be sent home please talk through and name the items/pictures with your child.

Please remember to borrow books from the early years lending library and check the parents board for information about what the children are learning in school. Look out for our new weekly language challenge where we will give you a topic or question to talk about with your child.
