MORNING ROUTINE CHANGE : TRIAL for 3 weeks

After half term, from Monday 4 June until Friday 22 June 2018. we will be trialling a new routine for dropping off children in the morning.

The aims of this are ...

- * To help staff ensure that the school site is safe;
- * To ensure children are safeguarded up to 9am
- * To ease congestion on the road outside school
- * To ease congestion in school.

ALL CHILDREN will be dropped off by parent/carers at the door from 8.40am.

NO PARENT will come into school.

PARENTS must ensure that their child enters the building before they leave.

Please use the same doors as normal : (KS1 > Playground door & Reception > Reception end door)

Children arriving after 9am will need to enter by the front door and complete a 'late' slip.

Teachers will still be more than happy to speak to parents. Please see teachers after school or arrange a meeting at the office.

After the trial, parents and staff will be asked to feed back on the change

FOOTWEAR REMINDER

Shoes/sandals should be sensible and ideally black. We would discourage open toe/bare foot sandals for girls as children can easily tread on feet/ chair legs.

Plimsolls/trainers should be in PE bags for outdoor PE this term
