Year 1

AUTUMN

Welcome Back

The children have settled into year one really well and have enjoyed the start of their topic 'Super Me'

We started our topic off with a 'WOW Day' thinking about ourselves and what it means to be healthy. We had a visit from 'a Superhero' and the children explored what super things their body can do. As part of this topic the children will learn about their senses through investigations and local visits, name and label body parts and learn all about Mammals. Later on this half term we will arrange for a baby to visit the children as we think about how we change as humans.

Trip to the Park! As the season changes we will be taking a walk to our local park to think about Autumn.

Read, Write, Inc.

Your child will continue Read, Write, Inc. lessons straight away. They may be working with a different teacher.

RWI and phonics Parent information morning Tuesday 2nd October at 9.00am

In Year One the children continue to learn through a balance of adult led and independent tasks both inside and outside the classroom. Home work will be sent out weekly through Mathletics online maths tasks. Please remember to read each night with your child and write it in the space provided in their home reading record.

The children will be counting their reads to gain prizes throughout the year.

Dates :- Friday 28th September—Story Café (Join us for a coffee and cake afterwards to raise money for MacMillan Nurses)

Tuesday 2nd October—RWI / phonics Parent meeting.

16th and 17th October—Parents evening
