Year 2

Welcome Back

The children have settled into year two really well and have enjoyed the start of their topic 'Food Glorious Food'.

We started our topic off with a 'WOW Day' being chefs and food tasters. The children made some yogurt bark which is a healthy snack they could try to make at home.

Over the half term we will be looking at the properties of foods and how they can change using temperature.

We will also be exploring food and their groups and what it means to be healthy.

During PSHE week the children will learn about being a good friend which ties in with 'National Anti-Bullying Awareness week'.

Each class will have a cooking experience this half term where they will design and cook their own quiche. Kangaroos class have started this week.

Read, Write, Inc.

Your child will continue Read, Write, Inc. lessons straight away. They may be working with a different teacher. There will be a parent information morning on **Tuesday 9th October** where Mrs Talbot will go through expectations for reading, writing and maths for the end of the year.

Home work will be sent out weekly on Mathletics. Please remember to read each night with your child. We are aiming for confident fluent readers so don't forget to write in your child's home record when they have read. More reads results in a more confident reader and a prize!

Dates:

Friday 28th September—Story café ! (Join us after for a coffee and cake afterwards to raise money for MacMillan Nurses)

Tuesday 9th October—Year 2 parent information morning. 9am in the hall.

16th and 17th October—Parents evening.
