

AUTUMN (2) 2018

www.queensdriveinfantschool.co.uk

Year 1

PLEASE MAKE SURE WE HAVE YOUR CORRECT CONTACT DETAILS

This half term our topic will be 'Lego City'. The children will be thinking about the local area we live in. They will be using vocabulary to describe features from their environment like, house, street, road, kerb, signs, pavement, flats, semi detached, terraced,. After a walk around our local area the children will be creating their own maps of the perfect street. We will be thinking about people living in our community, the jobs they do and the celebrations they enjoy. Some of these will be Firework Night, Diwali, Eid and Christmas. As we change from Autumn to Winter the children will be thinking about how our local area changes. They will explore weather patterns and design and make apparatus to observe the weather.

This could be a wind sock or a way to measure rainfall.

W O W DAY!

The children are lucky to experience a 'Lego Workshop' led by 'Lego Builders'. They will use their local knowledge to build a 3-D map of a community with the class.

HOMWORK

Make sure your child is reading their books over the week. We suggest 3 reads per book. Your child will have their 2 books changed weekly. Try reading and spelling the days of the week and Months of the year. Continue with mathletics tasks weekly.

MATHS

The focus this half term will be on number facts and place value, counting in 2's, 5's and 10's, subtraction and addition. The children will also explore shape, space and measures.

Clothing!

Please make sure all clothing is named including hats and gloves.

PE Kits

Please remember to have your child's PE kit in school. They will need shorts and a T-shirt in a named bag.
