This half term our topic is 'Horrible Histories'. We will be stepping back in time to explore life during the Great Fire of London in 1666, The Great Plague and the Gunpowder Plot. We will be looking at the events and diaries from real life people who were there at the time like Samuel Pepys. During Science we will be thinking about materials, exploring their properties and suitability for different tasks. During Geography lessons we will be looking at London as our capital City and comparing it to Peterborough. In Religious Education the children will be thinking about Religious celebrations and the meanings behind them.

### W O W DAY

On **Tuesday 27th November** we will be holding a WOW! Day for our topic. Please could you help your child to be involved by dressing them in Clothes from the time of the Great Fire. The children will experience what it was like to live and work during that time.

See the photographs of children dressed in Tudor costumes to the right. **Any help with ideas please see your child's teacher.**
