## Spring 1 Topics

Topics for after Christmas include, Antarctic to Africa, Owls and Chinese new year. To enhance these topics we will have a visit from some real owls, make an igloo out of milk bottles and turn the classroom into a Chinese restaurant.

At the beginning of each new topic the teachers will talk to the children about what they know and want to find out as well as introducing new vocabulary - vocabulary sheets will be sent home please talk through and name the items/pictures with your child.

We will also be sending home a language challenge sheet which gives you ideas of conversation starters linked to each topic and red words (words that cannot be sounded out and need to be learnt by sight)

Please remember to read regularly with your child/children, school books will be changed once a week to develop confidence and encourage fluency.
