September 2020

Welcome Back

We have had a really positive start to the school year and would like to thank parents for your support and patience with all our safety measures we have had to put in place. Staff are working really hard to make up for lost time and children are working REALLY hard in school. We hope you all have a safe half term

SCHOOL DINNERS

The school menu has changed for after half term. Please remember that if you order your child a school dinner **DO NOT** send in a packed lunch as well

Packed lunches should be healthy and should NOT include crisps. Only one chocolate item is acceptable.

PARENTS EVENINGS

This term we will unfortunately not be able to hold face to face parent consultations. Instead, your child's class teacher will be arranging a 'telephone meeting'

Please keep an eye on ParentMail after half term for more information

#~HELLOYELLOW

Thank you all for your support on Friday 17 October wearing yellow and donating money

We raised £240.17

Which will be sent to Young Minds to support their good work

PARKING...

We have seen a number of cars being parked illegally in Queen's Drive West. PLEASE park safely and legally

TERM DATES :

Half term ~ 26 - 31 October 2020

School opens ~ Monday 2 November

Autumn term closes ~ Thursday 17 December

Spring term opens ~ Tuesday 4 January

SEESAW

Thank you to all the parents who have completed our 'trial' homework task.

In line with Government directive, in the event of a Bubble closure or total school Lock Down, home learning **MUST** be completed daily.

Therefore to get the children used to using SEESAW we have set some more homework for the half term holiday.

This will include a Literacy and Maths task and an introduction to our new topic.

After half term Mrs Talbot will be checking who hasn't accessed this and will be contacting you individually to find the reason why?

COVID SAFETY MEASURES

We are supportive of adults wearing masks around the school site. School staff do not usually wear masks in school but may do so when communicating with adults. Please remember that we expect families to social distance from other families and for children to stay with their adult.

One adult on site please when dropping and collecting—older teenagers/siblings should wait at the front of school

Timings ~ as we advised previously, PLEASE try not to arrive too early for school, we want to avoid people having to wait outside school.
