EYFS ~ April 2021

Summer 1 Topics

This half-term we are looking forward to complete more exciting learning. Our topics will be :

- ◇ Dinosaurs
- ◇ Minibeasts
- ◇ The Very Hungry Caterpillar
- ◇ Plants and Growing
- ◇ Jack and the Beanstalk
- ◇ Sports

Reminders!

As the weather improves, children may often remove their cardigans and jumpers. Please ensure that your child's uniform is clearly named as this will help us to keep track of their clothes.

SEESAW

SEESAW

We are setting homework for children every Friday and would appreciate your support in completing this work every week. Please check seesaw to access these tasks.

COMING UP...

During our Minibeast topic, we will be able to watch caterpillars grow and go into cocoons. We will then be able to see some butterflies that we release outdoors.

Maybe you could speak to you child about caterpillars and butterflies!

Our Dinosaur Workshop

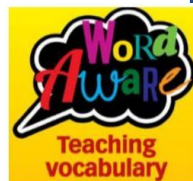

We had an amazing time digging for fossils during our recent dinosaur workshop. We then had a visit from a huge dinosaur!

We will also be taking part in a dance session on 12th May. **Your child should come to school in their PE kit on this day.**

WATER BOTTLES

Please ensure your child has a named water bottle in school everyday. Only water. No juice allowed.

Some of the key words we will be using this half term...

insect	flower	large
leaves	vegetable	tall
seed	wing	shape
grow	more	before
warm	less	repeat

CHECK PARENTMAIL, OUR WEBSITE AND SEESAW FOR MORE INFORMATION.
