

LEVEL 3 HEAT WAVE ALERT

Dear Parent / Carers,

Please note that during this period of intense heat, we continue to follow the LA's Heatwave guidance.

We are:

- Placing oscillating fans throughout school and in classrooms;
- Giving children frequent water breaks to enable them to remain hydrated;
- Reduced the amount of time that children are in direct sunshine;
- During PE, children are given more rest/water breaks and try to hold sessions in shady areas.

We would ask you to:

- Send your child to school with a hat and a filled up water bottle;
- Ensure that your child comes to school wearing sunscreen.
